### To Whom It May Concern:

Thank you for choosing ATG for your real estate transaction.

In our efforts to provide best-in-class technology to you and your clients, we are pleased to inform you of two exciting updates:

**New Internal Production Platform:** We optimized our systems and migrated to a new production platform. The only change you will notice is that the numbering sequence for your order will be different than what you are used to. No action required.

You are welcome to continue processing orders the way you always have, but we encourage you to opt-in to ATG GO for access to these time-saving features:

- Single dashboard showing all your orders and their status
- Online title examination tool
- Onboard communication = fewer emails and enhanced security
  - Request changes and certifications
  - Schedule closings in real time
  - Push notifications and documents to clients and other real estate professionals
  - Customize your experience with quick updates on your order
